1. REVISION TO [PROCEDURE 12.115](#), HANDLING WILD/EXOTIC ANIMALS, PIT BULLS, DANGEROUS/VICIOUS DOGS, AND ANIMAL REPORTS

Procedure 12.115, Handling Wild/Exotic Animals, Pit Bills, Dangerous/Vicious Dogs, and Animal Reports, has been revised. All references to Pit Bulls have been deleted.

The Cincinnati Municipal Code defining Pit Bulls as vicious dogs has been repealed. Officers shall no longer cite owners of pit bulls, as defined, solely based on the breed. All other definitions and aspects of the procedure still apply.

Additionally, revisions have been made throughout the above referenced procedure to update the titles of sections and units to correspond with the Department Organizational Chart.

These revisions are effective immediately. Personnel should review the revised procedure in its entirety. The revised procedure is available on the Department intranet and web page.

2. CHARLOTTE-MECKLENBURG POLICE DEPARTMENT IS SEEKING ASSISTANCE DURING THE DEMOCRATIC NATIONAL CONVENTION

The Department has received a request from the Charlotte-Mecklenburg Police Department (CMPD, North Carolina), seeking assistance in staffing during the upcoming Democratic National Convention. The 2012 Democratic National Convention is scheduled to be held Tuesday, September 4, through Thursday, September 6, 2012, in Charlotte, North Carolina.

The Department is in the preliminary planning phase to provide support to the CMPD and must identify sworn members with an interest in participating. Those interested are directed to submit a Form 17, through the chain-of-command, to Planning Section, no later than Friday, June 8, 2012. The Form 17 must include the following information:

- Last Name, First Name, Middle Name, and Rank
- Date of Birth
- Badge Number, and Employee ID Number
- Cell Phone Number
- Emergency Contact Name
- Emergency Contact Phone Number
- Blood Type

Planning Section will compile the list of personnel interested in participating. As the CMPD provides additional information regarding their requirements, the list will be used by the Department to identify personnel for selection to participate in assisting the CMPD.

3. USE OF FORCE REPORTING AND INTERVIEWS

Inspections Section has identified reporting and documentation errors during *Use of Force Reporting* reviews. As a result, Inspections Section reminds Department personnel of the following considerations when conducting *Use of Force Reporting*:

- In the narrative, describe the person's resistant actions prior to ALL applications of force and the resulting compliance or lack thereof.
- If conducting a canine apprehension interview and there is a discrepancy between the arrestee and the officer's statements regarding the length (time) of the bite, address the discrepancy in the narrative or with a Form 17, Addendum Report.
- In the narrative, describe the warning given prior to the use of force, or explain why a warning was not given.
- Document efforts to locate witnesses; noting if none were found.
- Ensure injuries sustained to an arrested person listed in a Use of Force report are included on all other reports, including on the Form 527, Cincinnati Police Department Arrest and Investigation Report.
- Ensure the time of arrest, location of offense, and charges listed on the Form 527 are consistent with the Use of Force report.
- Review identifiable characteristics to ensure each report is consistent, including control numbers, date of birth, and social security numbers.
- Along with a photograph of injuries sustained, include a full body photograph of the arrestee.
- Unless explainable, the officer transporting the arrestee should not be the same officer who applied the force.
- In lieu of "taken to the ground," describe the ground surface as grassy area, concrete pavement, etc.
- Review TASER downloads to verify the time of deployment and the recorded times match.

Inconsistencies between the Form 527 and the Form 18F are the most common errors found during the Inspections Section reviews. ***An overview of Use of Force reporting and requirements is available on all Department computer desktops within the Form 18 Field Manual.***

Personnel are directed to discontinue the use of *mini* cassette recorders; the Department's Supply Unit no longer carries these recorders.

City of Cincinnati Police Department
800 Evans Drive - Police Academy Way
Cincinnati, Ohio 45204

Dear Captain Weisman,

Re: Cincinnati Police Department Training, March and April, 2012

Thank you for the wonderful opportunity for the Community Relations Service to work with the Cincinnati Police Department Training Academy Staff to provide Cultural Professionalism and Arab Muslim Sikh Cultural Awareness Training for the Cincinnati Police Department and other outlying law enforcement jurisdictions during March and April 2012.

When we came to assess the training, we were amazed to find the wonderful diversity within the ranks of your staff; Asian, French, German, Israeli, Korean, and Puerto Rican only to name a few. We enjoyed working with the Training Academy Staff and the Academy's leadership team. The experience was outstanding and we sincerely appreciated the insights and perspectives of the Officers and CPD community partners who participated as presenters from the greater Cincinnati area.

During the two months of training, the Academy Staff ensured that all materials were in place, IT needs were graciously managed, and facility logistics were efficiently arranged for every room utilized. The Academy Staff also provided key administrative assistance with the security and logistics coordination for the US Deputy Attorney General's visit, the Leadership Meet & Greet with the Mayor, the meeting with the Chief of Police, the Community Partner Meet & Greet Dialogue, and the Deputy Attorney General's press conference.

Captain Douglas Wiesman
Page 2 of 2

On the days of the training sessions, your staff worked with the Community Relations Service's regional and national training teams above and beyond all expectations. Academy Staff arrived early in the morning to greet our teams, stayed late in the evening to provide assistance, changed shifts to accommodate training schedules, adjusted and regulated the temperature of the training room, and always checked to see about any needs.

Finally, we wish to thank key members of your staff who clearly demonstrated the mission, vision and values of the Cincinnati Police Department including: Lieutenant Christine Briede, Police Academy Assistant Commander, Sergeant Ronald Hale, Training Section Supervisor, and Police Officer Angela Vance, Recruit Advisor. We are grateful for your assistance and the leadership, professionalism, training skills, and knowledge of the Cincinnati Police Department.

Dear Chief Craig:

On April 13, 2012 at 7:17PM members of my uniform corporate security staff responded to the corner of 3rd and Walnut Streets regarding a report of a disorderly man. When my officer arrived he was treated in a verbally aggressive manner by the suspect. The assistance of the Cincinnati Police was requested. Your officers responded in a very timely fashion and handled the situation in a most professional, friendly, and efficient manner.

The American Financial Group would like to commend Sergeant Kathy Horn, Police Officer Roberta Hais, Police Officer Marian Jenkins and Police Officer Kieth Spurling for the professional and courteous assistance rendered to our officer and corporation. We wanted to let you know what a positive reflection these officers' were on the Cincinnati Police Department. Please relay our gratitude to the Officers.

Dear Chief Craig:

Today Michael Brown appeared in the Common Pleas courtroom of Judge John West and was convicted of perpetrating robberies in the Clifton area and sentenced to twelve years in prison for his crimes. The purpose of this letter is to bring to your attention the tireless investigative efforts of P.S. Rick Kibbee of District 5, which led to this conviction and sentence. But for P.S. Kibbee's commitment to solving these crimes, Brown may have continued to commit violent robberies and, ultimately, seriously harmed someone. The citizens in District 5 are fortunate to have such a dedicated public servant working for them, and he represents your department well.

Sincerely
